SUMMER SCHOOL 2027

A SUMMER OF ENGLISH, CREATIVITY & AI DISCOVERY!

19 July – 5 August 2027 | 10 –14 Years Old

ADCOTE MATRIX
INTERNATIONAL SCHOOL
MALAYSIA

Embark on an inspiring journey of English Language learning

Our three-week residential English Summer School welcomes students aged 10 to 14 of varying English proficiency levels, offering an engaging environment to develop their language skills through interactive lessons and practical experiences.

The curriculum focuses on speaking, listening, reading, writing, grammar and vocabulary, complemented by creative projects that encourage students to apply English in meaningful and enjoyable ways.

Students will explore a variety of projects, including music, art, cultural activities and Artificial Intelligence (AI). Through age-appropriate AI projects, younger learners will bring imaginative digital stories to life, while older students explore how AI can be applied to environmental sustainability. These activities provide additional opportunities to develop creativity, teamwork, problem-solving and communication skills.

Beyond the classroom, students will enjoy sports, excursions, social activities and the experience of boarding school life, making it a summer filled with learning, friendship and memorable adventures!

Our background

Adcote Matrix International School in Malaysia is the sister campus of the century-old Adcote School in the UK.

Founded in 1907 and located in Shrewsbury, Adcote UK is an award-winning independent day and boarding school. In 2024, this distinguished institution extended its legacy to Malaysia, bringing its academic heritage and strengthening the shared commitment to educational excellence across both campuses.

Why join our Summer School?

01 Develop English language skills in speaking, listening, reading, writing, grammar and vocabulary through engaging lessons led by experienced classroom teachers.

02 Explore creativity through hands-on projects in music, art, culture and technology, including AI activities that encourage collaboration, problem-solving and self-expression.

03 Build confidence in communicating in English through interactive projects, presentations and everyday conversations.

04 Experience boarding school life on our secure, 20-acre campus, with modern facilities, a welcoming residential community and dedicated staff support.

05 Enjoy a fun-filled summer of sports, outdoor adventures, recreational activities and cultural excursions, discovering Malaysia's local attractions while making new friends and lasting memories.

Accommodation

Students will stay on our 20-acre campus throughout the programme. The campus features modern, environmentally friendly buildings and facilities.

Boys and girls are accommodated separately.

Daily routines are carefully managed to provide a balance of learning, recreation and rest. Through shared experiences and everyday interactions, students will develop independence, teamwork and social skills while forming new friendships.

Our boarding staff provide guidance and support throughout their stay, helping students settle into their new environment and feel at home.

Basic housekeeping and laundry services are provided.

An orientation will be conducted on the first day to familiarise students with the campus, boarding arrangements and daily routines.
