Campus Principal's Message

After a month of holidays it was exciting to see the happy faces of our students when they returned to school on 3rd January. This has included many of the new students who have joined our MGS community this week.

A few days have passed and we are nearing the end of the first week of the new year and our students have done a very good job in adjusting back into school life and being focused in their learning for the term ahead.

With a new year, many people will take the opportunity to set resolutions for themselves. These are goals that provide an opportunity to reflect on areas which a person believes they need to change and for appropriate steps to be taken in the year ahead to achieve them. While we can face obstacles and setbacks in the resolutions set, we encourage our community to show adaptability, resilience and perseverance in their attempts to achieve their goals. Even if you have not yet set any resolutions for yourself, it is not too late to do so.

We had a very good year in MGS for 2022. We were able to conduct various activities and events in MGS for the community and performed well in the public examinations. We look forward to building upon our success in 2023 and making further improvements and growth through the plans we have for the year ahead.

It is also pleasing to note that the student number in MGS has grown due to the increase in enrolment of new students. In 2022, we had 210 new students enrol in our schools and currently many more applications are being processed. This has been largely due to the improved teaching and learning processes and the wonderful cooperation between the students, teachers and parents.

The term ahead will be a busy and exciting one for our school community. We will have various celebrations like Chinese New Year and Thaipusam, interesting learning activities for our students, and external examinations for SPM, IGCSE and Checkpoint. With the opportunities ahead and the continuous support of our MGS community, we will continue to strive towards our vision of being 'Second to None'.

Message from Head of MPS Ms. Tea Ming Ming

I am happy to welcome all our teachers, staff and students back to the 2023 school year! We recognise that to be successful in school, our children need support from the home and the school. A strong school and parental relationship will make a significant difference for our students in their learning and development.

With the reopening of the borders, and that we can travel again, we do hope parents will prioritise sending their child to school daily and to arrive punctually instead of planning for holidays during term days. In addition, regularly communicate with the teachers to ensure that your child completes all the work assigned. Accompany your child when they are reading books to help them develop a love for reading. At the same time, always encourage your child to share their school life with you as well as sharing your expectations to your child.

We complement our academic curriculum with interesting co-curricular activities to help our students to be well-rounded and well-grounded. Please ensure that your child / children sign up for a co - curricular activity.

We emphasise attendance of the students because they are more likely to succeed in their learning when they attend school consistently. It's difficult for the teacher and the class to build the student's skills and progress if the student is frequently absent. In addition to falling behind in academics, the student will not develop their social skills as quickly as they should. Therefore, I do hope that parents will send their children to school daily and punctually unless there is an important reason for them to not come to school, e.g. they are ill.

Lastly, I wish you all a happy new year!

This Week's Highlights

Highlights of 2022

Welcome Back To School

Campus Principal's Message Translated

经过一个月的假期，终于看到学生们包括那些本周刚加入我校的许多新学生，大家在1月3日返校时，脸上都洋溢着幸福的笑容，真是令人激动。新的一年虽然已过了几天，现在已是进入新年首周的尾声，但我们的学生对于适应学园生活和准备专注于本学期的学习，都做好了万全的准备。

新的一年，许多人会借此机会为自己订下终极目标。这些目标提供了机会来反思自己认为需要改进的领域，并在来年采取适当的措施来实现这些目标。虽然我们在制定的目标时可能会遇到阻碍和挫折，但我们鼓励自己在实现目标的过程中表现出适应性、坚韧性和毅力。如果你还没有为自己设定任何目标，你现在为自己制定目标依然为时不晚。

我们在校园度过了非常美好2022一年。去年我们在校园内举办了各项活动，同时也在公共考试中考获优异的成绩。我们期

Selepas sebulan bercuti, kami teruja melihat wajah ceria pelajar apabila mereka kembali ke sekolah pada 3 Januari. Ini termasuk ramai pelajar baharu yang telah menyertai komuniti MGS pada minggu ini. Walaupun beberapa hari telah berlalu dan sudah menghampiri penghujung minggu pertama tahun baharu, pelajar-pelajar telah melakukan yang terbaik dalam menyesuaikan diri kembali ke alam persekolahan dan fokus dalam pembelajaran mereka untuk penggal yang akan datang.

Sempena tahun baru, ramai yang akan mengambil peluang untuk menetapkan azam untuk diri mereka sendiri. Ini kerana matlamat yang memberi peluang untuk merenung kembali perkara-perkara yang seseorang percaya perlu diubah dan langkah-langkah yang perlu diambil pada tahun mendatang untuk mencapainya. Walaupun kami boleh menghadapi halangan dan rintangan dalam resolusi yang ditetapkan, kami menggalakkan komuniti kami untuk menunjukkan kebolehsuaian, daya tahan dan ketabahan dalam percubaan mereka untuk mencapai matlamat masing-masing. Walaupun anda belum menetapkan sebarang resolusi untuk diri sendiri, masih belum terlambat untuk berbuat demikian.

Kami mempunyai prestasi tahunan yang sangat baik di MGS bagi tahun 2022. Kami dapat menjalankan pelbagai aktiviti dan acara

待在 2023 年在取得成功的基础上再接再厉，并为来年制定进一步改善和发展的计划。

同样令人高兴的是，今年新生入学人数的增加，使得我校的学生总人数也增加。2022 年，我们学校有 233 名新生入学，目前更多的新生申请仍然在处理中。学生人数增加的原因主要是学生、教师和家长的合作无间，促使了教学和学习过程的持续的改善。

本学期将是一个忙碌而激动人心的学期，我们将举办农历新年和大宝森节等各种庆祝活动，同时我们也会为学生主办生动有趣的学习活动。除此之外，学生还会参加SPM、IGCSE 和 Checkpoint 的校外及公共考试。在看到未来希望及大家的支持下，我们将继续努力实现我们“首屈一指”的愿景。

untuk komuniti MGS dan menunjukkan prestasi yang baik dalam peperiksaan awam. Kami berharap untuk menempa kejayaan pada tahun 2023 dan membuat penambahbaikan melalui rancangan untuk tahun mendatang.

Sukacita juga dimaklumkan bahawa bilangan pelajar di MGS turut meningkat berikutan peningkatan pendaftaran pelajar baharu. Pada tahun 2022, kami mempunyai 210 pelajar baharu yang mendaftar di sekolah kami dan pada masa ini banyak lagi permohonan sedang diproses. Ini sebahagian besarnya disebabkan oleh proses pengajaran dan pembelajaran yang bertambah baik kerana kerjasama yang baik antara pelajar, guru dan ibu bapa.

Penggal yang akan datang akan menjadi penggal yang sibuk dan menarik bagi komuniti sekolah. Kami akan mengadakan sambutan pelbagai perayaan seperti Tahun Baru Cina, Thaipusam, aktiviti pembelajaran yang menarik untuk pelajar kami, dan peperiksaan luar untuk SPM, IGCSE dan Checkpoint. Dengan peluang pada masa hadapan dan sokongan berterusan daripada komuniti MGS, kami akan terus berusaha ke arah visi kami untuk menjadi 'Second to None'.

**WELCOME
BACK TO
SCHOOL!**

Sharing the fun and excitement that our students had on their first week of returning to school.
