

A bright start a year ahead 2025
By Mr Prabakaran Krishnan

The return of school brings with it new opportunities, fresh outfits and accessories, and the chance to set new goals. The hallways are filled with energy and enthusiasm, and we feel thrilled to witness our students engaging in their learning experiences with such enthusiasm.

We enthusiastically welcome both new and returning students to another exciting academic year at our school with open arms and smiling faces.

The school orientation day was filled with a vibrant mix of emotions, blending the excitement of new beginnings with the comforting return of familiar faces. Inside the classrooms, the atmosphere was heartwarming.

Our standard 1 students are taking their first steps into primary school education. Witnessing them try to mingle with our teachers and their new friends was delightful. To our parents, your presence made all the difference. It was truly special to see you actively participating in this event. Your involvement contributes to the school community's warmth and creates a supportive environment for both students and teachers.

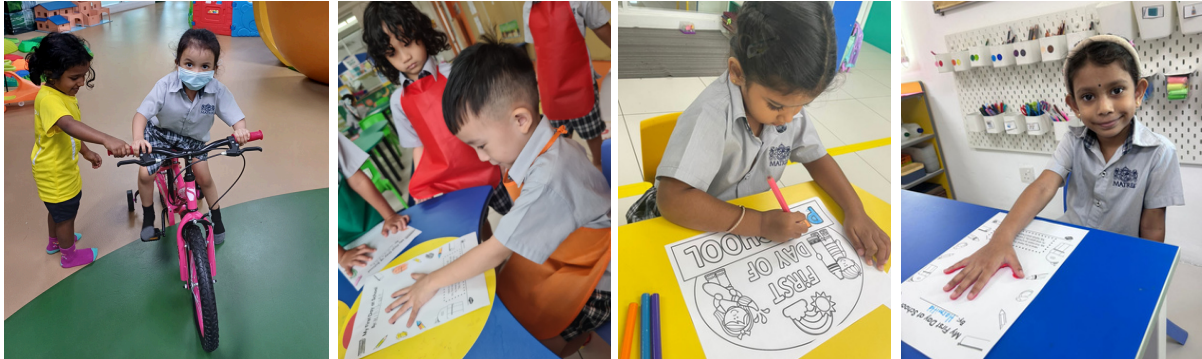

The return of our current students was also a priority. As they began the new school year, they felt familiar and connected. Their faces were filled with happiness as they eagerly looked forward to seeing their friends again and getting back to their studies.

Welcome Back to School!

The first day of school is always special—a time to reconnect, make new friends, and set the tone for a year filled with learning, growth, and discovery.

Our classrooms are ready, our teachers are eager, and the environment is buzzing with energy. We look forward to working together with parents to create a nurturing and inspiring journey for every child. Here's to an exciting year ahead!

Early Years Orientation

Our Early Years Orientation was filled with tiny footsteps, big smiles, and curious little explorers! From meeting teachers to discovering learning materials, it was the perfect start to an enriching learning journey.

MPS Preparation

As part of preparation to begin the school year, MPS staff organised a wonderful INSET training programme including outdoor team building activities in December.

Class Teachers Meeting

Our first-class teachers' meeting with parents was a touching and effective way to begin building our community. It was a delight to see old acquaintances and welcome new members to our MPS family. These meetings are crucial in developing a strong partnership between our school and parents, and we eagerly await many more in the near future.

The appointment of heads and deputy heads of prefects

Adcote Matrix International School elected Head and Deputy Head Prefects on January 6th, 2025. These student leaders are responsible for maintaining order, fostering collaboration, and ensuring smooth operations. They work closely with the Head of School and the Senior Leadership Team, supervising activities, chairing meetings, and conducting post-mortem analysis. They also organise school events, provide guidance, and coordinate with teachers and staff. The election process promotes leadership, accountability, and student participation, reinforcing democratic values. Congratulations to the newly elected leaders.

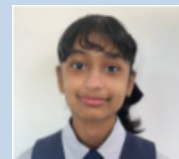

Feedback from student

Terence Ted Ee Chen
Head Prefect (Boy)

As a responsible, disciplined, organised, and efficient prefect, I showcase my time management and teamwork skills, enhancing my ability to cope with others and accept their opinions. My most enjoyable part is helping teachers, peers, and the school community. As AMIS Head Prefect for 2024/2025, I aim to uphold core values, emphasise discipline, and foster a stronger bond within the diverse community. My vision is to inspire more students to become leaders with integrity and kindness.

As a prefect, I've gained valuable experience in collaborating with peers and teachers, addressing challenges, and fostering unity. As a Head Prefect for 2024/2025, I aim to uphold high school standards, lead compassionately, and inspire students to reach their full potential. My focus is on respect, kindness, and integrity, ensuring the prefect team functions smoothly.

Sindhuja Kumaresh
Head Prefect (Girl)

Kong Sin Hin
Deputy Head Prefect (Boy)

As a prefect, I've faced challenges and found solutions in a convincing and approachable manner. This role helps me think critically, observe, and evolve my awareness and social skills. As a Deputy Head Prefect, I hope to lead and inspire others, participating in events like open days. My vision for the future is to inspire ambitious and kind students.

I am excited to be Deputy Head Prefect of AMIS 2024/2025, aiming to enhance communication, advance the school, and nurture the community. I will work with the Head Prefect to bridge the gap between students and teachers, ensuring voices are heard. I envision an inclusive environment where students feel empowered to participate in activities and lead events. I am committed to upholding institution values and fostering pride among students.

Yun Seo Won
Deputy Head Prefect (Girl)

Negeri Sembilan Junior Golf Championship

Congratulations to our students for their outstanding achievements in the 2024 Negeri Sembilan Junior Close Golf Championship! Paavarasy won 1st place, earning a gold medal, and Vaibhaav took 2nd place with a silver medal. Great job!
