

Mr. Lee Harvey, Head of Matrix International School

Welcome BACK TO School

We welcome our returning students and families and extend a special greeting to new students and families joining the Matrix Global Schools community. We look forward to a positive year of learning and growing together.

Ms. Felicia Wong, Head of Matrix Private School

Ms. Kavita Krishnan, Deputy Head of Matrix International Preschool

Every child is unique in their own way. We look forward to a great partnership with the parents of our young students, in order for them to have the support needed from home and school so they can achieve their highest potential.

Every boarder matters. We continually strive to create a comfortable, homelike environment by providing constructive, loving care throughout the challenges boarding life brings, so that each one will develop into an independent and responsible young adult

Mdm Melanie Liu, Head of MGS Boarding House
