LITTLE AI EXPLORERS: AN EXPERIENTIAL AI CAMP

1st - 4th September 2026 | 6 to 10 Years Old

Why Join Our Experiential Camp?

- Discover the world of Artificial Intelligence through fun, age-appropriate, hands-on activities that spark curiosity and imagination.
- Learn to use AI safely and responsibly with guidance from experienced teachers and facilitators.
- Bring stories to life by creating exciting characters, imaginative settings, and engaging adventures with the support of AI tools.
- Strengthen English literacy skills through storytelling, vocabulary enrichment, sentence building, speaking, and presentation activities.
- Create a digital story project using AI-assisted visuals and creative ideas, combining technology with imagination.
- Build confidence in communication by expressing ideas and presenting stories in simple, clear English.
- Develop teamwork and collaboration through brainstorming, sharing ideas, and giving constructive feedback to friends.
- Celebrate achievements by showcasing completed projects in a fun and supportive presentation session.
